**APPEAL TO THOSE WHO GET THE GUIDE BY EMAIL**

The expenses of maintaining the Project Chodosh continue to increase. These include the telephone services, printing and mailing costs. In addition, while Y. Herman has never taken any payment for his services, the Chodosh Project has evolved to the point that it would not be able to continue without the help of a small staff who need to be paid for their time. The costs of the project have been covered by those who pay for the printed copies of Guides. Those who get their information by email also benefit from the non-printing and mailing costs of the operation. A voluntary contribution from these email users would be appreciated. Such contributions are tax deductible. You may make such a contribution by credit card or check. For credit cards, call our secure message service at 646-278-1189. When recording your information be sure to specify that you are making a contribution and not subscribing to the Guide. Alternately, you may make out a check to Project Chodosh and mail it to Project Chodosh, c/o Rosskamm, [963 Armstrong Ave, Staten Island, NY 10308](http://963%20Armstrong%20Ave,%20Staten%20Island,%20NY%2010308).
