

16 July 17

Corrections from the Guide to Chodosh

The Chodosh Bulletin I sent out during Chol Hamoed had an error. Life cereal contains wheat as well as oats. The Chodosh date should be Jul 24 18.

In addition note that Quaker oats made in Canada and sold in the US, such as some of the instant oats packets, have a Chodosh date of Feb 26 19.
