Urgent Bulletin From The Guide To Chodosh

The Kof-K has asked that we notify our Yoshon-observant public that the next release of Oberlander's Chanukah and Dreidel cookies this year are NOT Yoshon. There was a mix-up by the distributor of the flour being used.

The full issue of the Guide to Chodosh is scheduled BE"H to go to the printer next week. At that time, we will also send out a copy of this Guide to this email list.
