### “Other” Email List Updates

We have an update on the Star-K updates, as reported in yesterday's alert. We contacted the Star-K and they have updated their email list for everyone. Those on the list should now be receiving their Quick Guides, as well as any other information.

Along the same lines, we finally were able to get in contact with the Manchester Beth Din, and are happy to report that once again, we are on their email list, so we will update everyone as soon as they have any new information.
