Three “New” Yoshon Updates

We have three “new” updates for you. Why “new”? Because although they are from the recent past, none of these have been posted on Yoshon.com until today. For some odd reason, The Yoshon Network Inc. seemed to have fallen off of the lists for yoshon updates from all of the agencies in Great Britain. After many attempts to reach the Manchester Beth Din, it appears that their whole website is having issues, from email to page loading. There was a yoshon update for MBD on November 11, 2019, but there is no way to access it. We will post their update if and when we receive it.

October 28, 2019 – Lieber’s Yoshon Products List Update #1

We apologize for the delay on this Yoshon Update sheet as well. We secured permission from Rabbi Weissmandl today to add this to Yoshon.com’s Updates and Downloads page. It is still timely, as the products listed are yoshon through March 2020. Here is the Direct Download link:

November 29, 2019 – Revisiting the Yoshon.com Newsletter for 1 Kislev 5780

November 29th saw a lot of technical difficulties for the electronic newsletter site we use. After recreating the Newsletter three different times, the donation link had been corrupted, and the English date was incorrect. The PDF version of the newsletter was always fine, so rather than resend the entire Newsletter, we are putting the Direct Download link for your convenience. We also have the correct PayPal donation link at the bottom of the page on the right.
