Update on the First Yartzeit of Rabbi Yosef Herman zt"l

January 29, 2020 – Chodosh Bulletin Update on R' Herman's First Yartzeit

In honor of the first *Yartzeit* of Rabbi Yosef Herman zt"l this Thursday night, the Herman family put together a beautiful booklet describing a bit of his life and his mission to help others keep the *mitzvah* of *yoshon*.

This is the Direct Document Download Link to the actual Project Chodosh email if you would like to print it out:

This is what it said:

"R' Herman first Yartziet is Thursday night, Friday.

The Herman family asks that all those who are able to learn Mishnayos and/or do whatever they can לעילוי נשמתו.

Thank you to all those who have united together to complete Shas in time for the Yartzeit Thursday night.

Attached is a booklet I put together showing Rabbi Herman's connection to Project Chodosh.

May we share only simchos together.

Mrs. Rosskamm"

The Booklet was sent as an attachment to this email in docx format, but we converted it to pdf for easier accessibility. This is the Direct Document Download Link to the *Yartzeit Booklet*:
