R' Yosef Herman's First Yartzeit

R' Herman first Yartziet is Thursday night, Friday.

The Herman family asks that all those who are able to learn Mishnayos and/or do whatever they can לעילוי נשמתו.

Thank you to all those who have united together to complete Shas in time for the Yartzeit Thursday night.

Attached is a booklet I put together showing Rabbi Herman's connection to Project Chodosh.

May we share only simchos together.
