Sad Trader Joe's News

The following alert was received from COR of Detroit's "Kosher Gram". The first section dealt with several items that had been reported as being *yoshon* most of the time.

August 29, 2020 – COR Bulletin Update On Trader Joe's Items

“...

- **TRADER JOE'S brand of CHOCOLATE BROOKLYN BABKA** and **HALF MOON COOKIES** that bear OU Pareve are Pas Yisroel. (They are no longer Yoshon.)...
- **LILLY'S BABKA, RUGELACH** and other cakes and cookies with an OU from Lilly's Baking Company / Brooklyn Brands are Pas Yisroel. (The labels no longer need to state Pas Yisroel. They are not Yoshon.)

Due to an equipment failure, the following cookies that are normally OK certified as Pas Yisroel, are actually not Pas Yisroel:

- **TRADER JOE'S Soft Baked Peanut Butter Chocolate Chip Cookies** with a date code of NOV 04 20.
- **MATT'S COOKIES** of the following varieties with date codes between NOV 03 20 – NOV 26 20: **Chocolate Chip, Double Chocolate Chip, Salted Caramel Walnut, Peanut Butter Chocolate Chip, Oatmeal Raisin, Cranberry Walnut, S'Mores, and Peanut Butter. ...**”

TYNI Notes: Indeed, the Trader Joe's Soft Baked Peanut Butter Chocolate Chip Cookies were nowhere to be found on the OK's product search, so it is a safe bet to say that they are most likely not going to be *yoshon* this year either, unless we find out otherwise. We will let you know.

The Trader Joe's Classic Organic and Maple Brown Sugar Oatmeal Cups are listed as “Certified Yoshon” with a best by date before 02/01/2021.
