Chodosh Update

The final Chodosh cut off date for oats is July 24th, with a purchase date of August 5th.

Dates for individual products using oats should be available in about a week. Note that Oats used in Post and General Mills cereals will be Yoshon through at least September.

The wheat and barley harvest have just begun. No cut off dates are available yet. We expect to have dates in about a week, but that is dependent on many outside factors such as the weather on the plantations.
