### **Yoshon Flours List Revised: 9-15-2020**

As of the date above, this is a list of all the known Yoshon flours for this year only, and their places of manufacture. **In the USA it should not change unless the availability of commercial stock is exhausted.** Brands appear in bold. The USA has a wide variety of flours, and will be separated by category. Those with Barley Malt in the ingredients are listed independently with the Chodosh Cutoff Date, for those who hold that it is problematic.

**ISRAEL:** All flour with reliable hashgacha made in Israel is Yoshon, from companies such as Osem, Shkolim, and Wonder Mills.
