5781 Yoshon Flours List (Revised: 12-7-2020)

As of the revision date above, this is a list of all known Yoshon flours for this year only, and their places of manufacture. In the USA this list should not change, unless the availability of commercial stock is exhausted. **Brands appear in bold.** The USA has a wide variety of flours, separated by category. Those with Barley Malt are listed independently with the Chodosh Cutoff Date, for those who hold that it is problematic.

ISRAEL: All flour with reliable hashgacha made in Israel is Yoshon, from companies such as Osem, Shkolim, and Wonder Mills.

UK: Most flour made in the UK with reliable hashgacha is Yoshon, and brands are too numerous to mention. Do a search on Yoshon.com for the brand and the type of flour, followed by "Made in the UK".
