The Real Final Guide is Out!

January 25, 2021 – The Final Guide Was Just Released!

Here was the email from Project Chodosh, followed by the Direct Download Link to the Final Guide draft:

“Attached is the final Guide to Chodosh for this year. Printed copies will be mailed out as soon as possible.

Please note that we had many reports of printed copies arriving 8-10 weeks after they were postmarked. We also had an unusual amount of booklets that never arrived. This had to do with the post office and mail system which is backlogged due to Corona.

If you do not receive your printed copy, please email yherman20@gmail.com

DO NOT send a text to the chodosh textline.

A number of people have been calling the chodosh textline with questions. These messages are not listened to and will not be returned. It is also a big inconvenience to the owner of the line. Please refrain from doing so in the future.

Please do not reply to this email. Replies will not be read. Please send any replies to yherman20@gmail.com
