GENERAL YOSHON NEWS

Chodesh Tov!

General Yoshon News

This month has seen some major updates, such as the release of the *Final Guide to Chodosh*, and not many minor items. There haven't been any major recalls on flour this year, so hopefully this trend will continue.

As for our own TYNI news, we are happy to announce that we added a new page for *Yoshon Audio Shiurim*. So far, the *shiurim* we already have on the page are in English and Persian. The link is: <https://yoshon.com/yoshon-audio-shiurim/>

If anyone knows of any other audio or video *shiurim* on the subject of keeping *yoshon*, please let us know at info@yoshonnetwork.org. We would be happy to include them. There are growing groups of Spanish and Russian speaking *yoshon* keepers that need resources to learn from. If anyone has leads for these, it would be a great help.

The Yoshon.com Newsletter Subscriptions increased slightly since last month to 171 subscribers, and our WhatsApp Group members now number 725, with only 47 spots open on Group 3. At that time when it reaches capacity, members will have to join randomly. We do not have the ability to create a 4th group, it is already interfering with operations such as prompt updating of the site. The link to join Group 3 is:

Coupons on Kikkoman Soy Sauce: Soy sauce was still *yoshon* in the USA until a packing date of January 6, 2021. There should still be plenty of *yoshon* stock available, and according to the *Guide to Chodosh*, some even hold the wheat in it is batul. (Ask your LOR.). A nice 55 cent coupon for the USA and Canada:
