## Project Chodosh Oat Harvest Updates

The following was sent out to the email list:

### July 19, 2021 – Chodosh Harvest Updates

The Oat Harvest is continuing, yet it is going a bit slower than originally anticipated. As of now we are looking at an estimated oats date of July 20. I will have more information next week.

The wheat and barley harvest are due to begin in 7-10 days.

The chodosh textline has resumed operations and will be answered nightly Sunday-Wednesday. We will try to answer Thursday as well. The texts are not checked on Erev Shabbos at all. Texts can be sent to 914-522-0096. DO NOT CALL THIS NUMBER!!

The chodosh hotline is updated once a week, Sunday or Monday. Questions can be called in anytime during the week. You can call 718-305-5133.

The printed guides should be mailed out before Rosh HaShana.
