Yoshon

Since our inception, **Kemach** has been at the forefront of providing quality "Yoshon" products for our customers. As much as we wish it were true, it is a misconception that *all* **Kemach** products are Yoshon. We try whenever possible to make sure that our products remain Yoshon for as long into season as possible. However, unfortunately as is the case, many of our products have a point in the year when they become "Chodosh". Below is a list of Products, dates, and codes that can help you keep track of the Yoshon status of our products. We will try to keep this list as up-to-date as possible.

If you ever have a question regarding the Yoshon status of any one of our products, or a suggestion for this page of the website please don't hesitate to call us, or email us at: yoshon@kemach.com.

ALL KEMACH PRODUCTS ARE PRESENTLY YOSHON.

Please read the information below carefully.

Some of this is only preliminary and will be updated as information becomes available.

The following Kemach products that are marked YOSHON on the packaging do not present any Chodosh problems that would necessitate looking for code dates.

- Matzos & Matzo Meal (All Kinds including Spelt)
- Matzo Ball Mix
- Crispy Bake
- Kem Kem Crackers & Whole Wheat Crackers
