### October 13, 2021 - T.I. CACFP Weekly Food Distribution Notice Regarding Yoshon

Reposted Article from BJLife Newsroom

#### “T.I. CACFP Weekly Food Distribution Notice Regarding Yoshon

Baltimore, MD - Oct. 13, 2021 - As with many things that have been affected by COVID, we are having difficulty with supply line issues regarding Yoshon products for our box program.

Beginning Tuesday, 10/19/21, Seven Mile Market has generously offered to provide a ‘YOSHON EXCHANGE’ for those that need. The exchange will provide the opportunity to immediately exchange any non-Yoshon items that are in the box for Yoshon items that are nutritionally acceptable equivalents.

After picking up your regular box, please re-enter the Seven Mile Market parking lot from the Reisterstown Road entrance and proceed to the second set of doors where the exchange will be set up.

There will be a notification on the weekly flyer for the items that are affected.

Please contact [meals@torahinstitute.org](mailto:meals@torahinstitute.org) with any questions or concerns.”

### October 12, 2021 – Kemach Updates Their Website’s Yoshon Dates

Kemach’s printable version was not available online yet, so we copied the page itself and put it into pdf format for temporary use. It will be updated when they have the better printed version. The Direct Download Link is below:

### October 11, 2021 - Guide Correction on Malt Date

“Correction to Heckers item below on P. 16: Best By date for Heckers malt is June 15 **23**

Heckers White Flour contains 100% winter wheat, as determined by independent sources. Flour is milled in a facility that only has winter wheat. Probable Chodosh date for malt is Dec 15, code best by use date of June 15 22 (18 months after packing.)”
