### March 8, 2022 – TYNI Yoshon.com App Survey Reminder - PLEASE HELP US!

A gentle reminder to everyone that there is only a little over *one more day to take the survey!* We need *everyone's* help to determine the future of our Official Yoshon.com Mobile App. Responses have been disappointingly far below our expectations. We only need 300 commitments from people to download the app in order to meet our minimum requirement amount, and be able to cover our costs of development— mainly being the scanning function.

This app is so incredible! We have been working on it, and toward this milestone for a long time now. Please take a few moments to help us, just as we at TYNI have endeavored to volunteer our time and help *Klal Yisrael* over the past 8 years.

Please keep the following things in mind:

- **It's Quick!** - The survey is only 4 multiple choice questions, and no personal info (name and email for verification) are ever shared with third parties.
- **More Response Reduces the Price** - We would have liked to offer it free, but in order to maintain it, we simply can't. The app price will be determined by how many people commit to downloading it, and will only be *a one-time fee!* This fee is to allow us to continue its updates and maintenance.
- **Availability-** Response from those with “kosher phones” will help us to better be able to contact the various service providers and let them know that the app exists, and is safe, secure, and kosher.

A very heart-felt “Thank You” to all those who have taken the survey thus far. The link to read about the app and go to the survey is here: <https://yoshon.com/mobile-app/>
