

GENERAL YOSHON NEWS

Chodesh Tov!

The New Chodosh Season is Just Around the Corner!

Already there are some tentative and estimated dates, so everyone is advised to stock up now, especially on Oats, fresh-baked goods, and refrigerated items with short shelf-life times. See the updates below for more details.

Good News for the Yoshon.com WhatsApp Groups

WhatsApp has increased the number of WA members per group, from 257 members to 512, so more people can join without worry of missing out on getting a spot. The coveted Group 1 as usual, holds the top spot, having 263 members, even before the season has officially started.

We are very pleased with the performance of our WAPBot (WhatsApp Police Bot) security system, which will be in place for 1 year as of *Chol HaMoed Sukkot*. B"H, there have been no hit-and-run spam attempts, and no unsavory posts on any of our groups since its implementation.

For newcomers, just a reminder of our group rules: Any posts or questions *must be on the topic of yoshon only!* No ads, charity, *Tehillim* requests, or community event announcements (unless having to do with *yoshon*) are allowed. (Rules were given to us by several *Rabbanim*.)

RECENT YOSHON UPDATES

July 28, 2022 – COR Detroit Calls Tentative Cutoff Dates

“**THE CHODOSH SEASON** is fast approaching for Oats, Spring Wheat and Barley. Oats may be *Chodosh* by approximately August 3, Spring Wheat by August 12, and Barley by August 15. There may be shortages of *Yoshon* grain this year. Those who want to purchase *Yoshon* items to store over the *Chodosh* season should do so now. Please note that all grain and flour products that will be stored should be refrigerated to avoid insect infestation.”

YOSHON PRODUCT OR ESTABLISHMENT ALERTS

July 28, 2022 – Trader Joe’s Cookie Recall

There are a few Soft-Baked Style Cookies available at Trader Joe’s that are often *yoshon*. This flavor is not one of them. (So far there is no status update on their much beloved Babkas.)

“**TRADER JOE’S SOFT-BAKED SNICKERDOODLES COOKIES** with Best By date 2/03/2023 has been recalled due to the potential presence of hard plastic pieces in the product. Details are available at <https://www.traderjoes.com/home/announcements?category=recalls&id=1351820848> or 626-599-3817.”

RECALLS AND ISSUES AFFECTING YOSHON OR POTENTIALLY YOSHON PRODUCTS

July 28, 2022 – Smucker’s Uncrustables Temporarily Unavailable

Due to the recent recalls on peanut butter that directly affected Smucker’s Uncrustables, kosher consumers may not be having them for a while. These are listed on our site, but they may not be *yoshon* this season at all. Only time will tell. Below is a post from COR Detroit:

“**SMUCKER’S UNCRUSTABLES SANDWICHES**: OU certification of these products, in all flavors, will be discontinued over the next few months due to supply chain issues. Packaging which still bears the OU symbol is Kosher. Check each package carefully.”
