## Update from Project Chodosh

### August 11, 2022 – The Oat Date is In!

“Dear Chodosh Subscribers,

The harvest has begun and despite a late planting season, the harvest is proceeding 50% faster than usual.

The final oats cut off date is **August 13th** with a purchase date of **August 21**. Please pre-purchase oats now. This cut off date does not apply to General Mills or Post cereals that will have a cut off date sometime in September.

The wheat harvest is proceeding quickly. The estimated cut off date for spring wheat is **August 18th** with a purchase date of **August 28th**. These dates may change.

Barley has an estimated cut off date of **August 15th** with a purchase date of **August 21**. This date may change.

The Durum wheat harvest used in Pasta products has not yet begun, therefore we do not have any estimated dates yet.

Thank you,  
Mrs. Rosskamm
