## First Update from COR Canada

### August 30, 2022 – Ardent Mills Flour (COR 323)

“The Saskatoon plant has started new crop. For Ardent Mills, Robin Hood, Bakers Hood, Master Hand, Golden Temple or any flour with a COR323, if the plant code is ‘SK’- a date code of 2-230 or lower. If the plant code is ‘MT’- it is still yoshon; anticipated changeover is mid Sept. Costco very often carries this flour.

For durum semolina and Atta flour a date code of 2-234 or lower.

Most other new crop changeovers aren’t occurring before mid Sept.

Thank you
