MK Establishments Updates

October 21, 2022 – Montreal Kosher Establishments Update

This was a complete establishments update, sent out by email. We put it into a pdf document for convenience. The Direct Download Link is below:

October 21, 2022 – Of Interest to Those Who May Have Stocked Up on Ritz Crackers

We have confirmed with the OU that all Ritz Crackers (OU D) contain real dairy and should not be eaten after meat (even though there may be no obvious dairy listed in the ingredient or allergen information). We always recommend that one checks a product's hashgacha before assuming that an item marked with a D is only Dairy Equipment.
