### 5783 General Chodosh Cut-Off Start Date Chart for the USA Only Dates marked with \* are Tentative Dates and *subject to change*.

Revised: 11-24-2022

This page lists the cutoff dates when *chodosh starts*. (They are NOT Best By dates. See [Yoshon.com](http://Yoshon.com) for specific products.) Your item's date must *always be prior* to these. For items with multiple grains, dates must go by the *earliest* grain's date. The base Julian date code is listed for convenience. The year code (1-2 digits) can appear either before or after the base date code. *Note that pure 100% Spelt and Rye from the USA (and Canada) are winter crops and are always yoshon.*
