## Final Guide to Chodosh Coming Soon, and Another MK Yoshon Update

### November 24, 2022 – Final Guide to be Released Soon!

My sincerest apologies to Project Chodosh for pre-announcing the Unedited Final Guide to Chodosh. I have always asked our sources for permission to post their items, and in this case, I actually did not see the original notice saying *not to share!* I thank them for their graciousness in the matter.

All links to that pdf have been disconnected and it has been removed and deleted entirely from Yoshon.com and the WhatsApp Groups. We ask that anyone who did happen to download the unedited copy, to please not share it, as the Final Guide BE"H, will be coming out soon. We will post it to everyone and our site when that does become available. I apologize for any inconvenience this has caused anyone.

– Chasya Eshkol, Executive Director of YNI
